

Hello Everyone,

I hope everyone is having a great summer and enjoying all the strawberry pie they can get their hands on. Before summer ends make sure you join your fellow bridge players at the Flying Buckeye Regional September 5th-9th. Closer to home will be the COBA Fall Sectional from October 6-8th at the Abruzzi Italian Club. In the winter there will be a Royal STAC Dec 11-17, this STAC will be a combined effort between Districts 7,10, and 11 which will lead to huge masterpoint payouts to overall winners.

Not too far in the distant future is the nearby Louisville Nationals March 14th- 24th, 2024. I highly recommend people take advantage of the less than 4 hour drive to attend the Louisville Nationals especially if it is your first time. The level of competition and attendance is unlike anything you can get at a regional. There is something for everyone and there are professional teachers giving free talks. To that end it is a great time to play in North American Pairs at the district level and earn some free money to attend the Louisville Nationals( details on page 3).

The COBA Fall Sectional is when Unit 122 will vote for new board members. The backbone of any COBA event is volunteers. Board members help to decide when,how, and what these events look like. (see page 4 for more details).

Taking place right now is the Bridge World Championship in Marrakech,Morocco. This is a great time to kibitz the best players in the world on [bridge base online](#). Even if you can not catch the live play the bulletins of these events are well done and a great read which can be found on the World Bridge Federation site [here](#). Personally I look forward to watching the partnership of Zia Mahmood and Jeff Mechstroth.

Thanks

Tom Bishel

COBA President
